Manchester Man Takes a Bride From the Monumental City.
BOARD ALDERMEN TO-NIGHT
License Ordinance Not to be Considered—Funeral of Mrs. King.
Manchester Bureau, Times-Dispatch.
A telegram was received in Manchester last night from Baltimore, announcing the marriage of Mr. Fred Paul and Miss Alice Robinson.
The announcement came as a surprise to the friends of Mr. Paul, who had no intimation of his purpose to enter into the matrimonial state, when he left his work at Ullman's Saturday.
The telegram did not say when Mr. Paul and his bride would return, but it is presumed they will reach Manchester this week.
BACK TO NORFOLK.
Policeman Waymack will go to Norfolk to-day, to take back George Hanna, a deserter from the receiving ship Franklin. Hanna was taken in charge several days ago by Officer Waymack.
BOARD TO MEET.
The Board of Aldermen will meet to-night in regular session. There is little out of the regular course expected to come up.
Counciling will be done on the license ordinance at this meeting, but it is likely that a special meeting will be held next week to take up the matter which comes up at the special meeting of Council Thursday night.
Quick action must be taken on this ordinance, as licenses are due on May 1st. Action cannot be postponed until the next meeting, as that will be too late to make the ordinance effective this year.
ELKS MEETING.
Manchester Lodge met in enthusiastic session last night. This lodge is now in better condition financially and every other way, than ever before. The membership is increasing week by week.

PRAISES MRS. EDDY
Lecturer on Christian Science
Speaks of Noted Woman Warmly.
STRIVE TO KNOW GOD
An audience of considerable proportions on Sunday afternoon heard the lecture delivered in the Bijou Theatre by Mr. W. D. McCrackan, C. S. B., of New York. Many who are not adherents of the faith went to hear the doctrine explained. The subject was "Christian Science and the Brotherhood of Man." Mr. McCrackan said in part:
"Christian Science is establishing by degrees, in the sight of all men, a logical, scientific and Christian method of overcoming evil in all its forms with the understanding of the omnipotence of good. But it is no mere optimism—no mere hope or expectation. It is the understanding of the law of God and the recognition and realization of God as Spirit, and man as spiritual. Its principle is God and its motive is the mental, moral and physical regeneration of mankind. It recognizes material conditions as effect, not cause, and operates for a cure in the mental realm, whereas the suggestions and predisposing causes of disease."
Nor is Christian Science mere idealism. It does not involve submission to disease and the willingness to suffer from it. It teaches not to preach apathetic indifference to suffering, but it calls for mental action to resist evil and overcome it with the mind that was also in Christ Jesus. Christian Science produces a mental attitude which is also agile and active, and this mental attitude is found to make man more capable and useful, whether their occupations be in the various departments of business life or in the professions and arts. On all sides a process is going on which makes the expense of evil, and this process is leaving the general human consciousness with its good news of health, holiness and happiness.
PRAISED MRS. EDDY.
Of Mrs. Eddy, the lecturer, spoke in words of the highest praise.
"To-day," he said, after reviewing some of the periods in her life, "she is prized as a great religious reformer, and her name is a household word in all parts of the world, while her words are treasured in a host of loving hearts." In conclusion, Mr. McCrackan said:
"When you come to think over the problems and answers which I have placed before you to-day, I hope that some helpful thought will enter your soul and heart, but I do not ask you to believe anything I have said, because I have said it, but to use your own good judgment, and draw upon your own practical experience and your common sense. Christian Science teaches me academic discussions and theoretical dissertations, but is a science which demands daily use and demonstration."
"The first step in the understanding of Christian Science and the necessary prerequisite in the application thereof is to know God."
"If you would reform the sinner, first know God; and then you will be able to recognize man and to know what he is; and what he is not."
"If you would heal the sick; first know God."
"If you would comfort the sorrowing; know God."
"If you would be honest and competent in business; or in professional life; know God."
"If you would find the brotherhood of man; know God."
"If you would gain eternal life here; know God; for Jesus said: 'And this is life eternal, that they might know Thee, the only true God, and Jesus Christ whom Thou hast sent.'"
COULD NOT MARRY WHILE IN THE NAVY
(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., April 11.—A pleasing little romance of several years' standing, was consummated to-day by the marriage here of Miss Laura Virginia Hoffman, of Frederick, Md., to Henry H. Jones, until Saturday a member of the navy.
The marriage would have taken place sooner but for Hallett's connection with the service. He was a member of the first crew assigned to the battleship Kentucky, and when that ship was ordered to the Orient, he asked for a transfer and was put aboard the receiving ship Franklin at Norfolk.
His enlistment expired Saturday, and he immediately wired his fiancée to come to this city. They met at Old Point Comfort, proceeded to this city and were married by Rev. W. B. Beauchamp.
DECIDE TO REMAIN.
Lee Ward Members Not to Retire From Committee.
Listening finally to the appeals of their colleagues and friends Messrs. Chas. W. Wilson and Butler, members of the City Democratic Committee from Lee Ward, who sent their resignations to Chairman Doherty as Saturday's deadline drew near, they have decided to remain members of the body.
The gentlemen resigned because they were dissatisfied with the appointment of a certain officer named for the conduct of the primary in one of the precincts of the ward, but after they had decided to retire to retire, they are highly thought of by their colleagues, and even those who had made up their mind to table the resignations, which motion would have been unanimously adopted.
HOME THE BEST.
Runaway Boy Will Return to Norfolk To-day.
Johnnie Jones, a sixteen-year-old boy who was given lodging at the First Station last night, has run away from home with two other boys, but when he got as far as Norfolk, he decided that he had enough of it, and decided that home was the best place after all. He will return to the city by the sea this morning.
Another Mr. Grant.
Mr. J. H. Grant, of the firm of Shaw & Grant, desired it stated that it was not he, but some other J. H. Grant, against whom a judgment was rendered in one of the city courts the other day.
Mr. Taylor Slowly Sinking.
Captain William Taylor, father of Mayor Taylor and Coroner Taylor, is slowly sinking. He is only partly conscious, though he appears to recognize those around the bedside. He is suffering no pain. Death is expected almost momentarily.

AN EDITOR'S EXPERIENCE
In the Treatment of Humours with More Than Magical Effect with
CUTICURA REMEDIES.
A Remarkable Testimonial from a Most Intelligent and Trustworthy Lady.
"A tumor came on my neck and in a day or two it was as large as half an orange. I was very much alarmed for fear it was malignant. My friends tried to persuade me to consult my physician; but, dreading that he would insist on using the knife, I would not consent to go. Instead, I got Cuticura Resolvent and Cuticura Ointment. I took the former according to directions, and spread a thick layer of the Ointment on the swelling. On renewing it I would bathe my neck in very warm water and Cuticura Soap. In a few days the Cuticura Ointment had drawn the swelling to a head, when it broke. Every morning it was opened with a large sterilized needle, squeezed and bathed with fresh Ointment put on. Pus and blood, and a yellow, cheesy, tumorous matter came out. In about three or four weeks' time this treatment completely eliminated the tumor. The soreness that had extended down into my chest was all gone, and my neck now seems to be perfectly well."
"About two or six years ago, my sister had a similar experience, used the Cuticura Remedies with magical effect. I am willing you should use my testimonial, with the further privilege of revealing my name and address to such persons as may wish to substantiate the above statements by personal letter to me." Chicago, Nov. 12, 1903.
